PRESS RELEASE

The Minister for Higher Education and the Minister for Public Works inform students, workers and the general public that the National Advanced School of Public Works (ENSTP) Yaoundé – Cameroon, within the framework of a scientific, technological and pedagogic partnership with the University of Padoua (Italy), runs the **Master degree specialised in Water, Sanitary and Waste Engineering** for the 2016 – 2017 academic year.

Admission requirements:

- Be a holder of at least a Bachelor degree in Sciences or Engineering in the following disciplines: Civil Engineering, Territorial Development, Mathematics, Physics, Chemistry, Environmental Sciences, Industrial Engineering, Chemical Engineering, Electrical Engineering, Computer Engineering, Electronics and Electro-technology, Geology, Town Planning, Architecture, Construction Engineering, Mechanical Engineering, Materials Engineering, Naval Engineering, Aerospace Engineering, Environmental Engineering, Rural Engineering, and Surveying. Participation by professionals is highly encouraged. Candidates shall be selected through file review and/or interview.

Duration of training: 4 semesters (2 years)

For this Master's, 2 diplomas shall be issued at the end of the training: Master Level I of the University of Padoua and Master II of ENSTP.

Cost of training:

900 000 CFAF per academic year, payable in two installments.

Organization of training:

- 50% of the training shall be online and 50% shall be by effective attendance at ENSTP. Courses requiring an effective attendance shall be offered by Italian and Cameroonian lectures.

REGISTRATION MODALITIES

2

• Online registration at:

(<http://www.elearningfordevelopment.eu/enrol/index.php/852311/lang-fr>)
