PRESS RELEASE

The Minister for Higher Education and the Minister for Public Works inform students, workers and the general public that the National Advanced School of Public Works (ENSTP) Yaoundé – Cameroon, within the framework of a scientific, technological and pedagogic partnership with the University of Padoua (Italy), runs the **Master degree specialised in Geotechnical and Structural Engineering** for the 2016 – 2017 academic year.

ADMISSION REQUIREMENTS:

- Be a holder of at least a Bachelor in Engineering degree in the following disciplines: Civil Engineering, Rural Engineering.

Duration of training: 4 semesters (2 years)

For this Master's, 2 diplomas shall be issued at the end of the training: Master Level I of the University of Padoua and Master II of ENSTP.

Cost of training:
900 000 CFAF per academic year, payable in two installments.

Organization of training:
50% of the training shall be online and 50% shall be by effective attendance at ENSTP. Courses requiring an effective attendance shall be offered by Italian and Cameroonian lecturers.

REGISTRATION MODALITIES

- Registration online indicating the Master, course and training language at (<http://www.elearningfordevelopment.eu/enrol/index.php/852311/lang-fr>)
 - A CV proving the professional and academic skills
 - A letter of motivation
 - An academic transcript (Bachelor in Engineering degree.)
 - A copy of the birth certificate not older than three months
 - A certificate of non-conviction (B3) not older than three months
 - Professional proof (work certificate, letter of recommendation, etc.)

- ②
- A medical certificate evidencing the ability to work
